

KELTON, ROUTE 1.

Kelton, Route 1, Dec. 29.—This cool damp winter weather seems quite severe after the continued pleasant weather of last fall. During that beautiful Indian summer weather one of my apple trees produced a second crop of well matured apples; after it had produced a large crop of nice ripe apples in the early spring and summer.

I was very glad to read in The Times that Rev. E. W. G. Humphries had been promoted from teacher to general supervisor of Indian schools. He well deserves the honor and promotion for he will do his honest duty in any calling. His many friends here are always pleased to hear from him and his family.

I am happy to see in The Times that the women of Union have formed an Equal Suffrage association. It will add much interest to the town and to all newspapers that publish the proceedings. I wish for them much success. For many years the women North, East and West have been using their influence and money in behalf of woman suffrage. They have met and overcome much unjust opposition and made a great success. So that Southern women have little more to do than organize and prepare themselves for their dear bought national woman's suffrage.

Equal suffrage for men and women is the highest mark of civilization.
Eliza A. Garner.

NEW HOPE

New Hope, Jan. 2.—Our holidays have passed and now the new year 1917 is with us. We can't realize that 1916 is gone, but we are glad to greet the new year with new resolutions to do better and have more success than before. The holidays passed off very quietly and peacefully in our community. Am glad to say we had very pleasant weather for the holidays, except a few gloomy, rainy days. The writer spent the holidays in Greenville and must say everything there looked like Christmas and no one could help but enjoy all that was going. A merry Christmas was everywhere in the air. The children had their time in shooting fireworks and enjoying what Santa brought them. Well rendered examinations at the schools and church was taken out. If ever there was a city that enjoyed Christmas it was Greenville for during the time it was ablaze with fireworks.

With the new year before us we hope we can carry through it the great Christmas spirit and feeling that will live throughout the year to come.

Mrs. Wade Palmer and children spent the holidays with parents, Mr. and Mrs. J. G. Bishop.

Mr. Luther Becknell of Both, S. C., and Mr. Marvin Becknell of Buffalo spent a few days during the holidays with parents, Mr. and Mrs. B. M. Becknell.

Mr. Wade Whitlock of Raleigh, N. C., spent the holidays with parents, Mr. and Mrs. B. W. Whitlock.

Our Community club will meet the first Friday in January, the 5th. Hope everybody will come out.

Wish our editor and readers a Happy New Year.
Vero.

Boston Woman
Recommending It To
Her Friends

Popular Boston Lady Says Tonaline Has Proven a Godsend to Her.

It is always interesting to listen to the statements of our friends, and especially when you know they are sincere and honest in what they say. Added interest is created in a statement coming from one who has spent a lifetime in Boston, where she is well known socially.

Such a person is Annie Stewart, who resides in Boston, and is possessed of the respect and confidence of her associates, and is willing for anyone to call on her to verify the following signed testimonial:

"I have suffered with stomach trouble for the past seven years. It took the form of indigestion and dyspepsia. I had dizzy spells and headaches, and after I ate a little food it would ferment and cause gas to form in my stomach. I had pains all over my body, and was chronically constipated. My liver was torpid, and I felt generally miserable. I had doctored and had been in the hospital, but received no permanent relief. I was so nervous and restless that at night I could scarcely sleep. The gas pressing under my heart caused palpitation, and when I arose in the morning I was just as tired as when I retired. About two weeks ago I began to take Tonaline, and I can truthfully state that it has done wonders in my case. I am feeling like a new woman and can eat any kind of food. I sleep the night through and have no more aches or pains; in fact, it has cured me, and I am recommending it to all of my friends, as it has been a God-send to me."

Glymph's Pharmacy sells and guarantees Tonaline.

There are numerous symptoms of this trouble that Tonaline can relieve. In fact, any of the following may denote affections of the stomach: Indigestion, dyspepsia, belching of wind, bad breath, sick throbbing headache, poor circulation, night sweats, that tired feeling, costiveness, coated tongue or a poor complexion.

Caution: As Tonaline is recommended as a flesh builder those not wishing to increase their weight 15 pounds or more should not take it continuously.

LOCKHART

Lockhart, Jan. 2.—The Christmas holidays have passed quietly. Some of those who have been visiting friends and relatives out of town are: Misses Inez Nelson, Pearl Littlejohn, Laurice Westbrook, Hattie Belle Crooks, Mr. and Mrs. H. C. Lewis, Mrs. Addie Garvin and Mr. W. P. Baldwin.

A number of students have been at home to their parents and friends during the holidays.

Misses Lizzie and Ellen Hope of Winthrop college and Misses Cleo Baldwin and Josephine Thornton of Chicora college returned to school Tuesday after their holiday vacation at home.

On last Wednesday evening a party of young people were entertained by Mrs. Charlie Meng. Those present were: Misses Cleo Baldwin, Josephine Thornton, Ellen Hope, Lizzie Hope, Mildred Hope, Annie Mae Hallman, Leone Meng, Katie Carter, Alice Inman, Josie Worthly and Messrs. Fred Good, Fred Neal, Hal Baldwin, J. C. Garvin, W. W. Goforth, Gilchrist and George Neal.

Miss Onamae Graham has given up her position as an employee of the Lockhart Company store. She is now with her parents in Georgia. Miss Jett of Pacolet has succeeded Miss Graham.

Rev. L. S. Shealey has resigned his pastorate here. He goes soon to a field in the lower section of the State. Mr. Shealey has done a great work at Lockhart during the two years he has served as pastor of the Baptist church. We shall retain a warm place in our hearts for him in gratitude for his untiring efforts and profitable work among this people. No pastor has been secured to succeed him.

The school has reason to be proud of its basketball team. Six games have been played this season and everyone has been a victory for Lockhart. This score will show the strength of the local team. Opponents of the entire year have made only 31 points. The local lads have scored 79 points during the season. There are near 300 pupils in the school here. Seven of these are doing creditable tenth grade work.

EAT BIG MEALS! NO
SOUR, ACID STOMACH
INDIGESTION OR GAS

"Pape's Diapepsin" is Quickest, Surest Stomach Relief Known.
Try It!

Time it! Pape's Diapepsin will digest anything you eat and overcome a sour, gassy or out-of-order stomach surely within five minutes.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your pharmacist a fifty-cent case of Pape's Diapepsin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

It takes five minutes from all stomach misery is waiting for you at any drug store.

These large fifty-cent cases contain enough "Pape's Diapepsin" to keep the entire family free from stomach disorders and indigestion for many months. It belongs in your home.

To Cure a Cold in One Day

Take LAXATIVE BROMO Quinine. It stops the Cough and Headache and works off the Cold. Druggists refund money if it fails to cure. E. W. GROVE'S signature on each box. 25c.

1917 IS DANGER
YEAR FOR SOUTH

Twenty Million Bales More Likely Than Twenty Cents a Pound, Says Hastings.

Atlanta, Ga.—(Special)—That 1917 is a "danger year" for the south, and that there is "dynamite in the present cotton situation for the cotton-growing farmer," are the warning words used by H. G. Hastings, president of the Southeastern Fair Association and the Georgia Chamber of Commerce, in an interview given to the newspapers here urging farmers not to increase their cotton acreage.

"Eighteen to twenty cent cotton at planting time in spring," he says, "is the bait that will lure hundreds of thousands of farmers in the south to each put in a few extra acres, and should nature smile on the crop as in 1914, we will come nearer a twenty million bale crop than 20 cents per pound, for evidence multiplies daily that they are 'planting right up to the graveyard,' as it is sometimes expressed.

"On the Hastings farm we don't expect to put in an acre more of cotton than we did last year, because we think it a time above all others to play safe. What we will increase to the limit of our ability will be food, grain and forage, beef cattle and hogs.

"The safe way is to first supply all needs of family and stock from one's own acres, and then put surplus acreage in cotton. With bread and meat in hand, and a garden producing steadily through spring, summer and fall; with home canned vegetables and fruits on closet shelves for winter table use; with corn in the crib and hay and fodder in the barn or stack, the farmer can be largely independent of cotton prices in the fall. The farmer so provided for is never 'distressed.' He can sit on his cotton bales with mind at ease, and sell in his own good time when prices are right.

"With labor comparatively scarce and fertilizer high, any material increase in cotton acreage must necessarily be at the expense of food and grain acres that are in reality far more responsible for the south's present prosperity than is 18 to 20 cent cotton.

"Memories are short, but wise farmers need only to look back to 1914 and see the disaster due to too much cotton that can't be eaten, and the lack of food that one must eat. I repeat this year of 1917, is a danger year. Any farmer who increases cotton acreage and cuts food crop acres is gambling with the cards stacked against him."
